

EMBRAER LEGACY 600

TAILORED TO YOUR NEEDS

The Legacy 600 is the first and only jet in its class to offer three comfortable privacy zones and boasts the largest cabin in its category. The aircraft can carry 13 passengers almost 3,300 nm (6,000 km) non-stop, offering a perfect option for charter trips between Europe, the Middle East and Russia.

The aircraft's six-foot tall cabin offers a space that is unsurpassed in the heavy jet class and offers a designated day cabin, business area and dining area. The large and luxurious restroom area in the rear is supplemented with an extra toilet in the front.

There is also a 240 cu ft in-flight accessible baggage compartment – the largest in this class - offering space for golf bags and skis.

Our cabin service team will provide a memorable experience onboard with first-class dining.

We guarantee our clients absolute personal discretion, reliability and flexibility – all delivered with you in mind.
