

BOMBARDIER CHALLENGER 350

EVERY TRIP A PLEASURE

Cruise the skies with the Bombardier Challenger 350. Enjoy the most luxurious of all super mid-sized aircraft, designed and built with comfort in mind. The aircraft is fuel efficient with low noise levels and low CO2 emissions. The aircraft cruises comfortably at Mach 0.81 up to FL450 for almost 3,200 nm (6,000 km).

The cabin and flat floor make life onboard comfortable and easy. The large luxury bathroom, access to your baggage in-flight and the low cabin noise level will enhance your experience. The spacious forward galley will provide VIP catering. A fast internet service is available on request.

We guarantee our clients absolute personal discretion, reliability and flexibility – all delivered with you in mind.
